

### ST. MARTIN, FS

Admin,

If you missed John's, **K9EL**, activity this June, he will once again be active as FS/K9EL from St. Martin (NA-105, DIFO FS-001, WLOTA 0383, WW Loc. FK88) between October 21-28th. Activity will probably be on 80-6 meters using CW, SSB and RTTY. He will be running 500 watts into a 3 element yagi on 6m, dipoles for 10-30m and a vertical for 40-80m. John usually will operate on 60m if there is interest. There will be daily uploads to ClubLog and LoTW. QSL via his home callsign or on ClubLog's OQRS. His operating frequencies (except during contests) will be announced in real time via Twitter at: <https://twitter.com/FSK9EL>. John is also part of the **TO1E** team who plans to be active during the CQWW DX SSB Contest (October 24-25th). Thanks OPDX Bulletin
