

### G3WOS's 2017 50MHz BBQ in conjunction with UKSMG

Admin,

After the great success of all the previous 6M BBQs, Chris is holding another on **Saturday 5th August 2017** in **Farnborough, Hampshire UK** - so make a note in your diary and let Chris know if you wish to attend.

Take a look at the [2017 BBQ web site](#) if you want to see what it's all about. As we have always had a good number of non-UK 6m hams attend, We are sending this now so that you can plan your summer around the event by visiting the UK!

There will be plenty of food and drink, lots of 6m guys to talk to and argue with and **XYLs are positively encouraged!** I hope that we will see an even better turn out of non-UK 6m enthusiasts. For those wanting to stay over on Friday night, many will be able to stay in the same hotel ([The Falcon](#) as in 2015) and I will organise another great 6m dinner for the Friday evening!

There will be several interesting talks to help pass the long hot summer day...

The cost of the BBQ is 30 UK Pounds and will need to be paid in advance of the event.

**I know it's a long way off, but if you are interested in attending PLEASE send Chris an email stating your level of interest.**
