

Nick Waite, G3KOX Silent Key

Admin,

We have received a note from Ian **G4LJF** saying that Nick Waite **G3KOX** passed away having suffered a Stroke last Saturday 6th June. Nick was one of the prominent G stations in the early days of 6 Metres. He was residing in Cyprus. He will be missed across the entire 6 Metre community. Our thoughts are with his family at the sad time.
